Yes, my master!
An immature, insensitive, pain-in-the-ass freeloader in our household..
Because of him, my precious youth time has gone awry.

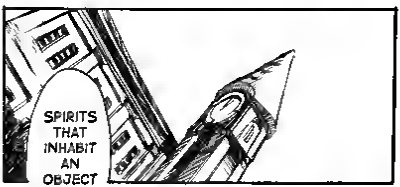
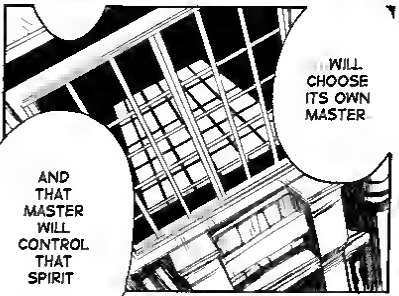
SURE



SPIRITS THAT INHABIT AN OBJECT



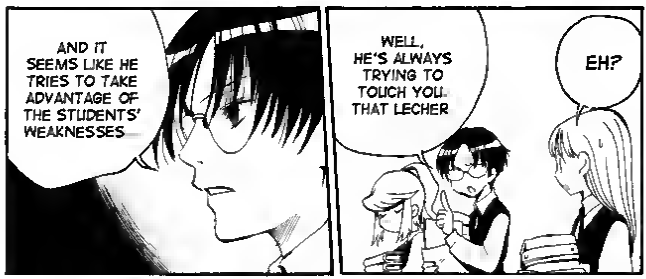
WILL CHOOSE ITS OWN MASTER
AND THAT MASTER WILL CONTROL THAT SPIRIT

LET'S GO, SHINAZUKI-SAN

I FINALLY UNDER-STAND
AT FIRST I THOUGHT IT WAS MERELY A LEGEND
BUT EIGHTEEN YEARS AGO AT THIS VERY LOCATION
THREE FEMALE STUDENTS WERE ABLE TO FIND THAT "WEAPON"
EACH TSUKUMO DEMON, DESTINED TO BRING CATAS-TROPHE TO THIS WORLD
...HAS THEIR OWN SPECIAL "WEAPON" SEALED WITHIN THEM.
AND ONE OF THOSE GIRLS...
...BUILT A GIRLS' SCHOOL HERE.
ISN'T THAT RIGHT, HEAD-MASTER?

HE DOESN'T LISTEN TO ANYTHING I SAY
DAMN RIGHT HE IS!
HE REALLY IS A PAIN, ISN'T HE?

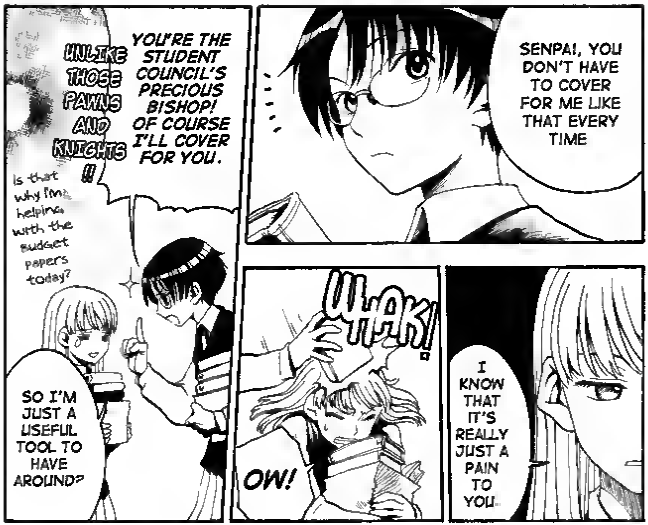
I'M TALKING ABOUT THE VICE-PRINCIPAL, NOT TAMAKICHI
NO, NO, NO
EVER SINCE MY MOTHER PASSED AWAY, HE'S BEEN CRASHING AT MY PLACE...
Ah! Good morning, Council President!



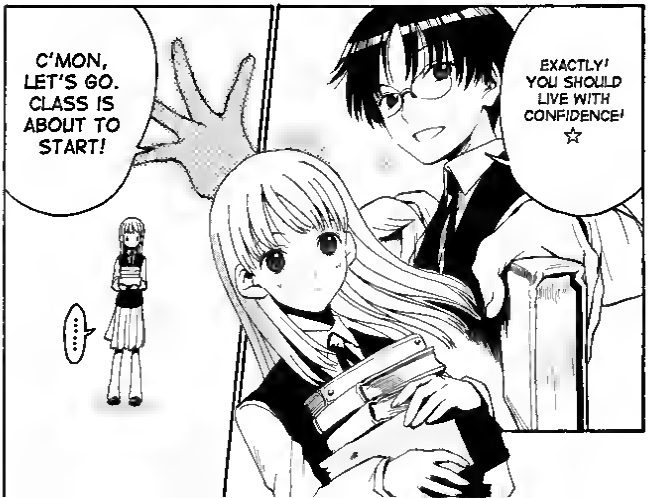
AND IT SEEMS LIKE HE TRIES TO TAKE ADVANTAGE OF THE STUDENTS' WEAKNESSES...
WELL, HE'S ALWAYS TRYING TO TOUCH YOU. THAT LECHER
EH?

STERN
SHINAZUKI-SAN, BACK THERE, DID HE TOUCH YOU ANYWHERE?
IF SO, DON'T HESITATE TO TELL ME!
RIGHT
UM, SENPAI, DO YOU
NOT MIND TAMA-KICHI?
AH HA HA
I'M ACTUALLY QUITE FOND OF HIM
No way!
EH?
Budget Documents
SHICKER?
THERE'S NO ONE ELSE SO STRAIGHT-FORWARD
I DON'T THINK YOU QUITE KNOW WHAT YOU'RE TALKING ABOUT.

HMM?
WHAT DO YOU MEAN?
EH? OH... WELL...
ANYWAY!! HE'S THE EXACT OPPOSITE OF KEI-SENPAI
EVEN THOUGH SHE'S ALSO A FREE-LOADER ON YOU...
TRUE.
Even though he's an outsider he's become very famous here
EVER SINCE YOU ENROLLED HERE, HE'S TRIED TO PULL SOMETHING EVERY DAY
.....
PERSON-ALLY, I LOOK FORWARD TO HIS ANTICS ★
BUT NOW, THOSE THINGS ARE JUST DAILY OCCUR-RENCES
HE GOT AWAY— AFTER HIM!—
SCOOT
SCOOT

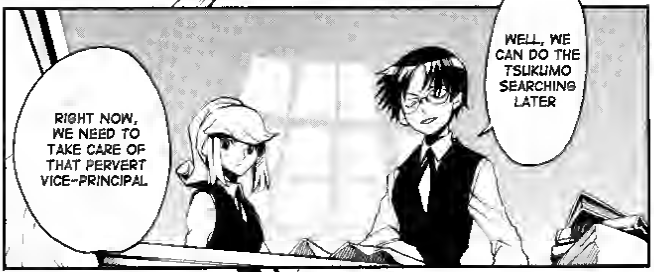


SENPA!, YOU DON'T HAVE TO COVER FOR ME LIKE THAT EVERY TIME
I KNOW THAT IT'S REALLY JUST A PAIN TO YOU.
WHAK!
OW!
YOU'RE THE STUDENT COUNCIL'S PRECIOUS BISHOP! OF COURSE I'LL COVER FOR YOU.
UNLIKE THOSE PAWNS AND KNIGHTS !!
Is that why I'm helping with the budget paper's today?
SO I'M JUST A USEFUL TOOL TO HAVE AROUND?



EXACTLY! YOU SHOULD LIVE WITH CONFIDENCE! ☆
C'MON, LET'S GO. CLASS IS ABOUT TO START!
!!

Woah, I almost got emotional there...
Sigh
all-girls schools are scary
SOMEONE ON THE LIST THAT THE HEADMASTER GAVE ME IS VERY SIMILAR TO SHINAZUKI YUKIJI
I SEE...
THEY'RE SIMILAR
HMM?
...STILL, IT'S ABOUT TIME WE DID SOMETHING ABOUT THE VICE-PRINCIPAL



-SSION STUDENT COUNCIL ROOM-

I KNOW IT'S THE MIDDLE OF CLASS, BUT LET'S TAKE A BREAK
I JUST RECEIVED INFORMATION THAT THERE'S A NEW TRANSFER STUDENT HERE
NOW THEN
SHE GOT A PERFECT SCORE ON THE ENTRANCE EXAM.
TRANSFER STUDENT?
SHE IS A DESCENDANT OF FRENCH ROYALTY AND WAS IN THE TOP OF HER CLASS AT "PENNSYLVANIA HIGH SCHOOL."
=DOOR OPENS=
PLEASE COME IN.
NOW, LET ME INTRODUCE MISS TAMAKICHI MARGARITA LORENTZ

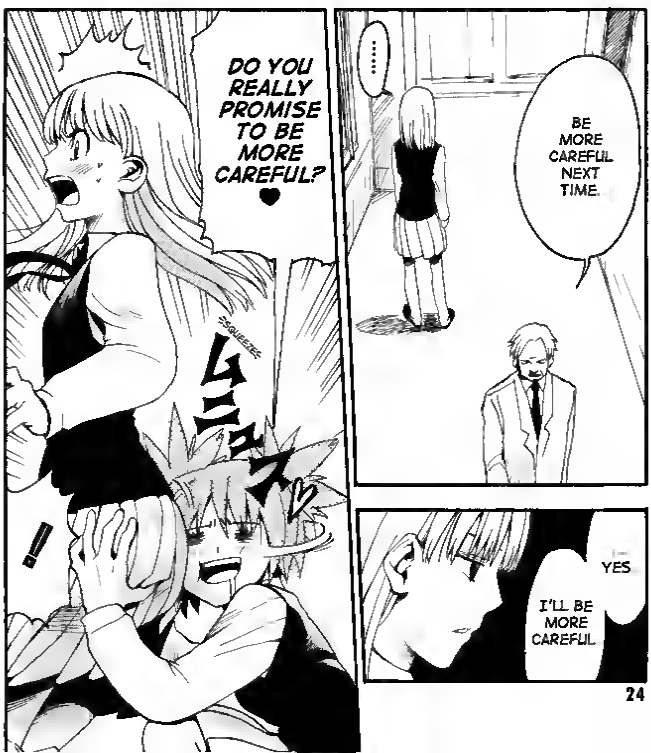
YOU SEEM TO BE CAUSING A LOT OF PROBLEMS LATELY.
IF IT WAS ANYONE ELSE, YOU'D BE SENT STRAIGHT TO THE STUDENT COUNCIL.



DO YOU REALLY PROMISE TO BE MORE CAREFUL?
SQUEEZE
BE MORE CAREFUL NEXT TIME.

WE CAN ONLY HOPE THAT SHINAZUKI'S TSUKUMO DEITY WILL BE ABLE TO DRAW IN THE OTHER "WEAPONS"
DSTOMP
SPECIAL EFFECTS ?
IT WOULD SEEM THAT IT HAS BEGUN, HEADMASTER TAKAKOUJI.

AND WHEN I FIRST MET YOU...

BY THE WAY, THAT GUY WILL DIE AT THIS RATE.
SENPAI!!

● WHAT IS 99 (TSUKUMO) ALL ABOUT? NUMBER 1

■ A STORY THAT WAS BORN FROM THE THOUGHT "WHAT IF OBJECTS COULD COME TO LIFE?" WHEN I FIRST STARTED DRAWING THIS, I HAD A CERTAIN THEME TO GO ON. "INSTEAD OF PLANNING AND RESEARCHING FOR THE STORY, LET'S JUST WRITE WHATEVER CRAP COMES TO MIND" IS HOW IT GOT STARTED. AND FROM THAT CAME THE OLD-TIME BELIEF OF OBJECTS HAVING SPIRITS. IN OTHER WORDS, EVERYTHING IN THIS WORLD HAS CONSCIOUSNESS, AND EVERY PERSON MUST RESPECT THAT. BUT, WHY IS THE MAIN CHARACTER A PINK VIBRATOR? THAT'LL BE FOR THE NEXT CHAPTER.

● WHAT IS 88 (TSUKUMO) ALL ABOUT? NUMBER 2

■ AS SEEN IN INDIA, BHUTAN AND SOME PARTS OF JAPAN, THE SEXUAL BELIEFS, MEANING THE SYMBOLS FOR THE START OF LIFE LIKE RINGA AND YONI, ARE SIMULTANEOUSLY THE MOST DELICATE OF PROBLEMS BETWEEN HUMANS AND HAVE BEEN THEATED AS IF IT IS SOMETHING DIRTY. BUT, THESE MORE DELICATE PARTS SHOW THE TRUTH OF MANKIND. BY SIVING THIS TO THE PROTASONIST, HUMAN'S TRUE FORM, THEORY OF DECISIONS, AND SPIRIT CAN BE SHOWN THROUGH THE HEART AND NOT THE HEAD. WHICH IS NOT PART OF MY AMBITION, IT'S JUST WHEN WRITING AN IDIOTIC MANGA, AN IDIOTIC TOPIC IS NUMBER ONE, IS ALL.

What? You haven't heard from the dean yet?
So you didn't know other people have tsukumo and you didn't know about the "Bandits"?
Nope...
The dean didn't give it to me, since I had it with me originally
The "Bandits" refer to the research group devoted to that
It means strong feelings and thoughts stay in the "place" or in an "object"
?
...I see
Yuki-chan do you know about "Remnants of Thoughts?"

(I make RiT = Zanryuushinen, Third string death = Sanryuushi not that it makes any more sense than it does in english)

That development
Was the realization that "personality" could be found in simple objects...
The Bandits were originally a government-initiated project for criminal investigations, but because of a certain development in research
They became independant and created their own syndicate—
But the object could be causing the air to accept the personality
Technically, the "personality" is really only hovering around the air of the object
Which means everything's organized by "thoughts"...
For example, a rock near a road could hold the thought of "I want to be rolled there"
And wind could be following the thought of "I want to flow"

From this point, the Bandits began turning into a giant syndicate by the name of "Folkus"
Just as some people might feel that way, so did the Bandits
If that's so then altering thoughts could be a way of altering the world
They found the existance of "tsuku-mogami"-
At that point, they
Stumbled upon complex thoughts, still attached to simple objects
But so complex and human like that they would affect things around them
Particularly because they followed the will of their masters
Tsukumo were essentially the dream of the Bandits

The Bandits named this group after the place they first found the tsukumo
Composed mostly of the original researchers decided to block the Bandits
That's because a group that had split off from the Bandits
However the Bandits' attempts to collect the tsukumogami
Generally failed

● WHAT KIND OF STORY IS 99? PART 2

■ Well I don't even need to say that this story is incomplete, because it was written with the expectation of being shut down by I ended up shutting it down myself. At the time, my producer and I figured we'd make it a "bakumanga" of sorts, and we agreed on that, but I was always shot down when I wanted to try to put in some more "core" plot lines. For example, in the first story there's the sexual harassment teacher and problems with school rules and stuff. But when I tried to write that stuff, I got bored and couldn't keep writing, so instead we just went the eroeroero route, and I ended up not knowing what I was writing, at all, so I just tossed the project. Well, anyways, that's why it's incomplete. If the stars align, let us meet again in like, 30 years-.

Is it okay to be with a husband like this?
I hate you all!!
※ You can replace like and hate, good and bad and read everything over again and it'd still be the same.

EXPLAINING "99 HAPPY SOUL"

It happened a few summers ago. I bought shumcream and went to Kadokewashoten. That day, the editor M-san was talking about how mangaka Ooiwa Kenji-san got absolutely stuffed in a packed Kadokawa Shoten. When I walked into a room that looked like a meeting room, Ooiwa-kun was sitting at a desk and drawing manga. A few of his mangaka friends were helping him out. When I said I had some shumcream to offer, they said "thank you very much, now, Otsuichi-san, sit here please," and so I was forced to sit down at the table, was given an ink pen and some drafts and told, "where there's an X, just fill it in with black," and ended up being forced to help them, and then, "oh, you're done, then fill in the background for this panel. Model? Don't worry about that, just use your imagination," so I ended up helping them with background too. That manga was this 99 Happy Soul. The page I helped with turned up in this book, and I'm too embarrassed to open the page. However, because of that experience, this book ended up being very precious to me.

I'm a novelist using the pen name Otsuichi. Ooiwa-kun turned one of my novels "GOTH" into a manga earlier, and we're still kind of hanging around together because of that experience.

Ooiwa-kun is actually now working, in the year 2005, on the manga titled "Welcome to the NHK" in Shounen Ace. This one's based on a novel written by Takimoto Tatsuhiko. Because this manga is selling well, Ooiwa-kun is rich (or so I'd imagine). This is because I was talking to Takimoto-kun before, and he was saying "Damnit, I shoulda been a mangaka, the pay is different."

Envious. Anyways that aside, "99" is different from "NHK" and "GOTH" in that there's no base novel. "99" was created wholly by Ooiwa Kenji, and so I think it's somewhat important as the text that is truly done by him.

Anyways, I think it's a pretty smart setting. Ooiwa-kun did a pretty nifty job. The location is an all-girl school, and the main character is a tsukumo-gami of "that." In relation to the rest of the story, "that" is a symbol of the goddess Shiva, and it's the same name as the ultimate God in materialistic religion, or so I hear. World = All-girls-school, God = "that." It's as if the God of Physicality descends upon a world of girls, a seemingly divine setting that's pretty nifty.

I wonder what kind of manga Ooiwa-kun will write from hereon forth, having seen that other side of him. I'd like to be able to watch over his progress. And I'm happy to have been able to take even a small part in his life.
